KSU Retirees on

Facebook is an online community allowing people to share and connect with each other. For the KSU Retirees Association, this means that Facebook gives us the opportunity to connect with other retirees through messages and the sharing of photos. Below is a brief "How To" Guide on using Facebook to connect with fellow retirees!

How to log on to Facebook:

If you are already a member of Facebook this step should be easy, however, if you are new to Facebook, below are a few simple steps to become a member:

1. Type **www.facebook.com** into your internet browser
2. On this page, begin filling out the information beneath the "Sign Up" heading and follow the steps provided by Facebook

Once you become a member (or if you are already a member) of Facebook, you have the ability to become Friends with KSU Retirees and/or a member of the KSU Retirees Group

How to become Friends with "KSU Retirees" or join the "Kennesaw State University Retirees Association" Group:

1. After you login, look to the top right corner of your screen and find the search box
2. In the search box type in "Kennesaw State University Retirees"
3. Your search should produce two results, one for "Groups" and one for "People"
4. To join the group, click "Join Group" next to the Kennesaw State University Retirees Association group
5. To become a friend, click "Add as Friend" next to the "Kennesaw Retirees" person
6. After doing one or both of these, you can easily connect with fellow retirees!

When you exit, simply tell the booth employees that you are a KSU Retiree. Your driver's license will be checked against a list of retirees provided by HR.
